BUYER USER MANUAL

COMMUNITY PAGE

The Community page contains a feed of posts by buyers and exhibitors in the SOURCING at MAGIC Online community. Think of it as a social feed, like the Facebook Wall. This section also shows updates from buyers and exhibitors' event activity such as adding company description, adding products, updating company profile etc.,

You can share a post to the feed as yourself or as your company. Note that you have the option of filtering the feed to see posts from everyone in the event or only by your connections.
